SPARE COPIES

In the G.O. first cited above, Government sanctioned the employment of an additional teacher of higher elementary grade on Rs.23-2/2-45 in each of the fishery schools at Malpe and Bekal for a period of one year from the date of appointment. When the sanction for these additional teachers were applied for, the schools at Malpe and Bekal were complete Lower Elementary Schools with five and six teachers respectively. The additional teacher (6th) at Malpe school was employed from 19-1-45 and one (7th) at Bekal school from 2-1-1945. Hence the sanction in the case of two teachers expired on 18-1-1946 and 1-1-1946 respectively.

In the G.O. second quoted, sanction was accorded to the opening of Standard VI in these

two schools in July 1945 and to the employment of one more higher elementary grade teachers in each of them till 31.3.46. The seventh teacher at Malpe was employed with effect from 2-8-1945 and the 8th teacher at Bekal from 24-8-45. As has been recommended by the District Educational Officer, South Kanara proposals for the employment of yet another additional teacher in each of these two schools are under consideration. In view of this, I request that the sanction of Government may be obtained for the continuance of the two teachers sanctioned in G.O.Ms.No.5004 Development dated 23.11.44 from 19.1.46 and 2.1.46 up to 31.3.1947 and the continuance of the two teachers sanctioned in G.O.2692, Development dated 10-7-45 from 1-4-46 to 31-3-1947. Necessary provision has been included in the Budget Estimate for 1946 and 1947 for the continuance of these four teachers.

The application for the continuance of the two teachers sanctioned in G.O.Ms.5004 Development dated 23-11-44 was received in my office from the Deputy Director of Fisheries (Marine) only in the first week of January and it was not therefore possible to obtain the sanction of Government before the date of expiry of the sanction I am issuing instructions to the Deputy Director to submit applications for renewal of sanctions for temporary posts well in advance of the date of expiry of sanction. I regret the delay in my own office in dealing with this application which is due to change in the personnel of clerks in the Fisheries section. I request that the continuance of these two teachers in anticipation of Government sanction may be approved.
